

# How to Sort and Dispose Trash and Recyclables

## Dispose your trash

Put your trash in a designated garbage bag, write your ward, section, and name and place it at your designated garbage collection point by 8:00am of the collection date.

Do not put out trash the night before the collection date or at collection points in a different area such as enroute to commute.

## Garbage bags

Bags to be used differ by type of trash.

<ul style="list-style-type: none"> <li>● Write your ward, section, and name on garbage bags</li> <li>● Black plastic bags will not be collected.</li> </ul>	Semitransparent garbage bags designated by the town or semitransparent bags made of HDPE (high density polyethylene).	Supermarket bags (grocery bags)	Semitransparent or transparent plastic bags	Paper bags / cardboard boxes	Black plastic bags
Combustible Garbage (Kitchen garbage, shells, wood, grass, leaves, etc.)	○	×	×	×	×
Plastic Garbage	○	○	○	×	×
Non-combustible Garbage	○	○	○	×	×

※ Cardboard boxes are to be disposed as recyclables.

## To those who have moved into or moved within Nagaizumi Town.

Trash collection points are managed by each neighborhood. If you do not know which collection point to use, contact one of the following:

- If you are renting your home- Committee member of your neighborhood or the company that manages the building.
- If you own your home-Committee member of your neighborhood or the company from which you purchased your home.

\* House-moving garbage (bulky items, etc.) should be separated from other garbage and dropped off at the incineration plant (the Sanitation Office).

## How to drop off (individual carry-in) trash and recyclables

- Register at the incineration plant. [Contact number: 986-8393]
- Present your driver's license, etc. (something that can identify you as a resident of Nagaizumi Town).
- Business hours are from 8:30 to 16:30.
- Drop-off is accepted Mondays to Fridays (excluding national holidays).
- Trash (household garbage produced in the Town) must be sorted (5 classifications, 12 categories) before being dropped off at an appropriate depository facility according to the type of trash.

\* Landfill waste and shreddable waste cannot be accepted at the final processing facility between 12:00 and 13:00.
